The Fiji Islands

‘Paradise’ – we know the word gets used pretty loosely but if it is appropriate for anywhere, it’s Fiji. There are over 300 islands set in crystal clear waters with palm fringed white sandy beaches, lagoons, coral reefs and idyllic places to stay. “Bula” – you’ll hear it all the time, it epitomises the warm, friendly outgoing nature of the Fijian people.

One of the most stunning regions is the remote Yasawa Islands and it is here that our holiday destinations are located. All of the properties are small and set in stunning locations.

The Yasawa Island group consists of a chain of 20 ancient volcanic islands. Four of these islands have dramatic elevations with summits just short of 600 metres above sea level. The pristine white sandy beaches and dramatic monoliths surrounded by crystal clear lagoons provide a beautiful environment in which to relax or enjoy the many activities on offer.

Relaxation is big in the Yasawas but if you’re in the mood there are an incredible number of activities: island trekking, amazing snorkelling and diving, local villages to visit, caves to explore, swimming with manta rays (seasonal) and snorkelling with sharks! The islands will provide an endless string of wondrous experiences.

We invite you to share the magic of Fiji with us.

Yasawa Islands Holidays

The Yasawas as a destination has matured since we first began coming here. No longer is the region just the domain of the backpacker, a number of high quality properties have been established.

The Yasawa resorts we have included offer a very different experience to that offered in the larger Mamanuca resorts. They sit in isolated locations on beautiful beaches and usually have no immediate neighbours. They remain quite small and under western ownership but still have strong ties to and employ people from the local villages.

For the first time visitor, or “coming home” to Fiji, the Yasawas offer an enticing holiday.
**Bula Fiji WELCOME PACKAGE**

**Octopus Resort**  
**WAYA ISLAND**

Octopus Resort has built itself a stellar reputation - a Fijian resort with a modern view, surrounded by a beautiful coral reef, set on one of the largest islands in the Yasawas. Step ashore and you’ll love the vibe straight away. The large central open air bure has a funky bar - lounge areas and bar stools with a view out over the beach and the adjoining pool area. Set behind is the sand floor restaurant. Dining is at large communal tables so you’ll get to meet fellow travellers from all over. Fancy a quiet dinner for two - no problem just let the staff know. Octopus is the perfect place to be as active or as relaxed as you like. There are varied options from traditional craft afternoons to a ‘movie night’ located under the stars, complete with popcorn. The sunsets in Fiji are really something special and the best way to experience the sun sliding over the horizon is whilst sipping a cocktail on the beautiful white sandy beach.

The meals are a feature of your stay - enjoy a delicious à la carte lunch and a variety of dinner options from 3 course set menus to an awesome BBQ dinner perhaps followed by fire dancing and Fijian music poolside. Octopus offers the beauty of the Yasawas with panache. There is a big variety of accommodation styles but everyone shares the same wonderful surrounds.

Botaira Beach Resort
NAVITI ISLAND

Set on a magnificent sandy beach that sweeps the width of the bay with no other property or sign of civilization in sight. A small family run resort with the bures dotted along the beach in beautiful garden style grounds. The dining, bar area overhangs the beach providing a superb outlook the length of the bay.

The spacious bures are very nicely done in traditional Fijian style with ensuite bathrooms and louvre windows on 3 sides to maximise the flow of that sea breeze - most are situated right on the beach. Use of fresh produce is a feature of Botaira’s dining - the resort grows its own vegetables and fruit, and staff (or you) catch the fish you’ll eat for dinner that day. Or perhaps you’d prefer a freshly caught lobster served at a private candlelit dinner on the beach.

The waters straight off the beach offer superb snorkelling as the area is a Marine Reserve. You’ll see magnificent coral formations and a myriad of fish, clams and starfish. resorts where suitable accommodation with that extra bit of room is available.

The Yasawa resorts offer an amazing environment for family and group holidays.
Perhaps for that 50th anniversary or special birthday you could take the whole
resort and there’s another special thing they offer – the chance to detox the kids.
Imagine them away from the TV, computer games and phones having to enjoy
the beach, the sun, activity and talking!

For full details of the resort, please refer to the resort page.

Volunteer Experiences in Fiji

Ways you can make a difference with Vinaka Fiji

Volunteering
Whether you are a skilled tradesman, nurse, doctor or teacher, or simply someone who wants to give their time and skills to help those in need, the Vinaka Fiji program can use your help. Volunteering is all about giving something back and making a difference. Volunteering with us means that you’ll work alongside locals and other volunteers in specialised projects. The focus is on helping the villages achieve access to the basic needs in life including water, power, nutrition and education, and helping to build a sustainable future for these villages. If a holiday in Fiji, combined with the opportunity to lend a helping hand to people in need sounds like you, then volunteering with Vinaka Fiji will be a highlight of your travel experience.

Volunteering programs
Having worked closely with the villages for over 10 years now, we know what is needed in the Yasawa Island villages and we also know what the villages want to work towards for their future. We don’t want to take the approach of commanding a new way of life for the villagers, as we believe that sustainability is all about securing the future by keeping the culture and relaxed way of life intact.

In order to do this properly and sensitively, we work closely with the Yasawa villagers, so that they may help determine the needs, participate in the planning and implementation and share responsibility for completion of the projects embarked upon.

Vinaka Fiji operates:
- Children, schools & education
- Creating sustainable communities
- Marine research and conservation

Our key areas of focus are:
- Create solutions that support sustainable, self-sufficient communities
- Achieve and maintain access to clean, reliable sources of water
- Develop ‘micro enterprises’ based around nutrition, including food crops and education
- Support local schools with education supplies and aid
- Assist with ideas, information and solutions for power sources
- Research and educate on the management and value of the marine environment

There are three core programs that Vinaka Fiji operates:

- Children, schools & education
- Creating sustainable communities
- Marine research and conservation

   You will be given all your necessary documents/vouchers so that you can board the vessel directly the next day. Please take good care of your vouchers as you may be liable to pay for any replacements.

3. **Complimentary Coach**: Transfers to/from Port Denarau are provided by Yasawa Islands Holidays Fiji to/from most Nadi, Port Denarau and Wailoaloa area hotels and Nadi Airport. Clients must book in advance. Please note, there is only one coach returning to hotels and resorts in the Wailoaloa area and to Nadi Airport departing Port Denarau at approximately 6:15pm.

4. **Prices and Currency**: All prices are in **FIJIAN DOLLARS** and include taxes where applicable. Package prices are **per person**. Prices through some agents may vary due to currency fluctuations.

4a. **Fiji Government Tax**: All prices include 25% Fiji Government taxes and levies (9% VAT + 10% SST + 6% Environmental Levy).

5. **Meal Costs**: Where an additional price is shown under ‘Meals’ these rates are **per person per night** and include meals per day. The meal package is compulsory and must be taken as there are no alternative dining places. The meal cost valid at date of travel should be paid directly to the resort in Fijian dollars at resort check-in. Rates are correct at time of issue and are subject to change.

6. **Yasawa Islands Holidays Fiji reserves the right to cancel departures**, alter prices, apply a fuel surcharge, arrange alternative transport and vary itineraries and services as necessary. All transfers are subject to sea and weather conditions and operational requirements. Should adverse conditions prevent operation the client is responsible at their own cost for their own additional accommodation wherever it may be and/or alternative travel arrangements not organised by the Company. Yasawa Islands Holidays shall be the sole judge of when vessels should not operate.

7. **Liability**: Where another company or persons operate the tour, activity or excursion, diving, accommodation or shore transfers Yasawa Islands Holidays is only acting as a Sales Agent. Responsibility for the operation and liability for any mishap lies with those operators solely and not with Yasawa Islands Holidays Fiji. Yasawa Islands Holidays is not responsible for missed flights or any associated expenses due to late arrival at check-in counter.

8. **Visa Requirements**: It is the responsibility of all guests travelling with Yasawa Islands Holidays to check and adhere to Fiji’s visa requirements.

If you develop a serious medical problem you will most likely want to leave Fiji for Australia, New Zealand or home. There is also a higher degree of risk in public areas, on local vessels etc. Sea conditions and sometimes cyclones can prevent travel on the booked dates as well.

   a. It is therefore an essential condition of travelling with Yasawa Islands Holidays that you have a valid travel insurance policy to cover the cost of any emergency medical treatment or accident and to protect your holiday payments in the event of cancellation and/or delays. Yasawa Island Holidays has insurance cover available with a leading insurer of adventure style travel which can be taken out at time of booking.
